

## **2021 DIGITAL IMAGE PROJECT COMPETITION RULES**

The Digital Image Project (*the project*) is open to **members** only.

You can choose any theme you like. You can make it an easy project or more challenging, trying new genres of photography.

Project themes could be individual images which each stand alone, but are consistent with the theme.

Alternatively, the project images could create a progressive story or documentary where each image relies on the next to explain or compliment the previous, culminating in a final image to complete the story.

### **The nomination requirements are:**

Your Full Name

Your Project Name

Your Final Project Statement (100-125 words)

Once you have nominated your project, you **may not change** your project name.

#### ***Some examples of themes***

*Architecture*

*High speed*

*Long exposure*

*Social issues*

*A day in the life of a particular person*

The project will run from April 1 to October 31 inclusive. All images must have been taken during the period commencing April 1 and ending on October 31. A member's completed project will consist of **7 images**. There are no restrictions on when the images are taken during the period from April 1 to October 31. Participants are free to choose the 7 images they believe will best serve their theme.

The project is not subject to grading. The theme is the participant's choice.

- *Each participant will be given a registration number.*
- *The Final statement is submitted with the project. The maker tells the story of how they started, to what they ended up doing with their project, and should be a maximum of 125 words.*

An **image** used in the project may also be used in the monthly competition.

Completed projects must be submitted by midnight on Friday 3<sup>rd</sup> November, 2023 to the Digital Project Coordinator.

### **Image Naming**

**Images** files must be named in the following way:

[Image number (*numbered from 1-7*)] [Project title] [**Member** registration number]

Eg: 06RedcliffeSunrises04 - this image would be from member number 4 and the sixth image in the project titled "Redcliffe Sunrises".

## **Image Size** must be

No larger than 1920 pixels x 1200 pixels for landscape format

A maximum Height of 1200 pixels for portrait format.

Pixel density to be between 240ppi and 300ppi.

***Any Project submitted, that does not adhere to the rules, may be disqualified.***

## **End of Year Award**

A completed project of 7 **images** must be submitted in accordance with the rules for a participant to be eligible for an end of year award.

At the end of the year, **images** in a folder named MemberTheme [*Member1Sunrises on Moreton Bay*] will be sent to a judge.

## ***Criteria for judging will be:***

*Relevancy to the theme, Quality of images, Creativity*

Awards will be given at the judges' discretion and number of projects submitted. The winners will be announced at presentation night and all projects shown in a slideshow on the last club night before Christmas.

## **Changes, Alterations or Adjustments to the rules**

The **Committee** reserves the right to make changes, alterations or adjustments to the rules of the **Caboolture Photography Club** Digital Image Project as the **Committee** deems necessary. Notice can be given of a rule change, alteration or adjustment at any time prior to the end of the current project. Any changes, alterations or adjustments will come into effect at the completion of the current project and will be the rules for any future projects.

## **Terms:**

"**Caboolture Photography Club**" - Caboolture Photography Club Incorporated

"**Committee**" - Management Committee

"**Image/s**" - Digital image/s (a triptych or the like is considered to be one image)

"**Member/s**" - Financial and life member/s

**Project Coordinator** - the person appointed by the Committee as the Project Coordinator
